One Stop Shop

- Meet with us and talk about your ideas.
- Together we will turn those ideas into a design.
- Need a fixed price, we will give you that too.
- Engineering, council requirements, we have all that covered.
- Need a hand with interior decorating we can help with that.
- Lets build it, we look after you from start to finish.

We do it all – we design and we build - we are your.....

Helpful and Objective Assistance

- We will help you all the way. Available to you are skilled and experienced people who will guide you through every aspect of your renovation or new home. From council requirements and engineering, to up to date advice on colours and textures, you can be sure you have professional help whenever you need it.
- We have a proven staged process that ensures that we all focus on what is important at each step along the way.
- Not sure where to start, we suggest you

Dedicated Engineer

- We will build your home with structural integrity that exceeds industry standards.
- We have a dedicated Structural Engineer who inspects your site at various stages to ensure that it meets the highest of standards.
- All our designs are scrutinised by our engineer to provide long term protection of your investment.

Passionate team of Professionals

- We have people who compliment each other in every aspect of our design and construct process. Our team makes your dream a reality.
- John Firrell, a builder with more than 38 years of experience and John Flatley, our Designer, will sit with you and discuss your wish list and together create a design that is functional, inspiring and unique as are **YOU**.

- Meet our team of dedicated staff.

Project Managers

- We have two dedicated Project Managers, Dayne and Steve, one of which will personally manage your project like it was their own.
- Assisting our Project Managers and you is Angela our projects coordinator.
- With Specifications that leaves no stone unturned, the team is armed with every detail to complete the project just as you expected.
- Our team is with you all the way with friendly guidance, advice and solutions.
- Together we will turn *your dream into a reality.*
